

Taking your First Steps as a Mathematics Subject Leader

Course Information

Date: 1st October 2025

Venue: Online (Zoom)

Time: 13:15-14:45

Cost: £60 per delegate

Course Leader: Vanessa Brown

Course Overview:

Taking on the role of subject leader for mathematics is an exciting opportunity in your teaching career; however, it can feel overwhelming at times. This on-line session will provide you with the tools to take those first steps.

We will look at some key tasks for this role: auditing, action planning, organising your time, looking at data as well as creating a subject leader 'folder'.

Course Content:

- What does becoming a leader of mathematics entail?
- How do I use my leadership and management time effectively?
- How do I identify priorities in my school?
- What should I have in my subject leader folder?

If you already have an action/development/improvement plan for mathematics; it would be useful to have this to hand.
