

Are you Ofsted Ready for Mathematics?

Course Details

Date: 28th November 2023

Venue: Bramshall Meadows First School, Ivinson Way, Uttoxeter, ST14 5BF

Time: 09:00 – 15:30

Cost: £150 per delegate

Course Leader: Vanessa Brown (Inspiring Maths Education)

Overview of Training:

Are you preparing for an upcoming Ofsted Inspection or looking to strengthen your subject leadership?

This course will support you in developing your subject specific 'eye' so that you are better able to evaluate the effectiveness of mathematics within the curriculum in your school.

You will have a greater understanding of your mathematics provision and feel more confident to communicate effectively how you engineer success in mathematics in your school.

Course Content:

- the key aspects of mathematics that schools should have in place and how effective your current provision is;
- using data to identify priorities;
- developing a greater understanding of what constitutes a 'deep dive' in mathematics;
- practical suggestions on how you can audit and gather evidence for mathematics;
- sample 'deep dive' questions;
- reflect on outward-facing information about mathematics at your school and its link to intent;
- consider how to strengthen your approach to book scrutiny to give a picture of what's happening in your school;
- explore how pupil voice can be collected and used to evidence the impact of mathematical provision in your school;
- an improvement of skills in triangulating information.
