

Preparing for a Mathematics 'Deep Dive'

Course Details

Date: 26th September 2024

Venue: Online (Zoom)

Time: 9:15-11:45

Cost: £60 per delegate

Course Leader: Vanessa Brown (Inspiring Maths Education)

Overview of Training:

This online course will support you in developing your subject specific 'eye' so that you are better able to evaluate the effectiveness of mathematics within the curriculum in your school.

Course Content:

- a greater understanding of what constitutes a 'deep dive' in mathematics;
- practical suggestions on how you can audit and gather evidence for mathematics;
- sample 'deep dive' questions;
- strengthen skills in triangulating information;
- explore intent, implementation and impact in mathematics;
- consider features of a successful, high-quality mathematics curriculum and how this relates to your school;
- discussion of OFSTED's latest reports and news;
- developing a vision for mathematics in your school;
- measuring progress in mathematics;
- priorities for your mathematics curriculum.
