

## Getting to Grips with Mathematics in Years 3 & 4

### Course Details

**Date:** 28<sup>th</sup> June 2022

**Venue:** Online (Zoom)

**Time:** 9:15-11:45

**Cost:** £60

**Course Leader:** Vanessa Brown

### Overview of Training:

This online Zoom course will explore key mathematics and pedagogical ideas for Years 3 and 4, underpinned by the aims of the national curriculum and the five big ideas of teaching for mastery.

In particular, the training will focus on considering the big idea of equivalence and how representations that look different can all be linked to the same underlying mathematical idea to support mental calculation.

This CPD opportunity would be suitable for new and experienced teachers and TAs in Years 3 and 4 as well as subject leaders of mathematics.
