Course Overview

This course will support you in developing your subject specific 'eye' so that you are better able to evaluate the effectiveness of EYFS within your setting.

Course Content:

- explore recent subject deep dives and the most common questions asked about the EYFS;
- **intent, impact and implementation** in Early Years;
- practical suggestions on how you can audit and gather evidence for EYFS;
- developing an effective learning environment (including continuous provision and outdoor areas);
- look at and discuss what makes an effective observation;
- feel more confident to observe, interact, question and challenge staff *and* pupils within the Early Years;
- gain a greater understanding of 'play' and the impact that 'play-based' learning can have;
- develop a greater understanding of the role of the adult in play.
