

Preparing for a Science 'Deep Dive'

Course Details

Date: 25th January 2023

Time: 09:15-11:45

Venue: Online (Zoom)

Cost: £60

Course Leader: Dr Wendy Precious

Overview of Training:

This course will support you in developing your subject specific 'eye' so that you are better able to evaluate the effectiveness of science within the curriculum in your school.

Course Content:

- a greater understanding of what constitutes a 'deep dive' in science
- practical suggestions on how you can audit and gather evidence for science
- an improvement of skills in triangulating information
- sample 'deep dive' questions

This CPD event will provide participants with the key knowledge and skills needed to gather information about subject quality in science. We will explore ideas for quality assurance as well as providing valuable support.
