Course Overview

Are you new to EYFS Assessment or looking to develop your knowledge further?

This course will support you in knowing and understanding the practice and principles of assessment in the EYFS.

Course Content:

- Know the statutory assessment requirements in the EYFS;
- Explore effective formative and summative assessment;
- Gain a greater understanding of the observation, assessment and planning cycle;
- Feel more confident using observation-based assessment to improve your practice and provision;
- Gain ideas how to establish links with other adults, parents/carers, and children to obtain accurate and consistent assessments;
- Reflect on how to observe and foster the characteristics of effective learning to ensure accurate assessments;
- Discuss how to document effective learning experiences so that it informs children's next steps in learning and development.
