

A Structured Approach to Teaching Times Tables in Years 3-6

Course Details

Date: 10th November 2022

Venue: Online (Zoom)

Time: 9:15-11:45

Cost: £60 per delegate

Course Leader: Vanessa Brown

Overview of Training:

Recall of times tables is the bedrock to many areas of mathematics. We will explore the development of times tables skills and offer many ideas and activities for developing this area of mathematics.

This session is suitable for Subject Leads of Mathematics looking to develop a whole Key Stage approach as well as teachers and teaching assistants in Y3-6 looking to strengthen this area of their practice.

Course Content:

- consider the progression in KS2 when teaching times tables;
- discuss what it means to really 'know your tables';
- factual fluency progression
- explore ideas and activities for developing multiplication skills;
- develop a Times Table policy showing the progression of skills.

Bookings can be made at www.teachcr.com and further course information is available by contacting enquiries@teachcr.com
