We will also consider your role as leader and the priorities that you have for 2025-26.

You will be provided with a subject overview template that you can use throughout the year as a working document to both guide you in the role and to record your progress and achievements as a subject leader.

Course Content:

- audit current provision in PSHE education including statutory Relationships and Health Education;
- develop a robust subject action plan for the coming year;
- start an ongoing subject leader overview document that can be updated throughout the year;
- discuss how the subject leader overview document can be used during inspections, subject leader interviews or Performance Management.
