Course Overview

This course will support you in making accurate EYFS profile assessments for Communication & Language and Literacy.

The training will provide an ideal opportunity to have your judgements validated beyond your school, cluster and local networks that you currently work in.

Course Content:

- Know the statutory assessment requirements and key dates for EYFS profile assessment;
- Understand how to make your judgements accurate, valid and consistent so that they meet the profile assessment requirements;
- Have the opportunity for your judgements to be moderated by staff from across the country;
- Gain a greater understanding of how to use observation to lead your assessments and how to use these to improve practice and provision;
- Feel more confident using observation-based assessment to improve your practice and provision;
- Reflect on how to observe and foster the characteristics of effective learning to ensure accurate assessments;
- Discuss how to document effective learning experiences so that it informs children's next steps in learning and development;
- Gain ideas how to establish links with other adults, parents/carers, and children to obtain accurate and consistent profile assessments.
