

Summer Primary Science Network Meeting

Course Information

Date: 9th June 2022

Venue: Parkland Suite, Hawkesyard Estate, Armitage, WS15 1PU

Time: 13:00-16:00

Cost: £50

Course Leader: Dr Wendy Precious

Course Overview

These termly sessions will provide opportunities for you to consider the very latest local and National developments in the teaching and learning of Primary Science. They will encourage reflection on your own setting and your next steps in leading to further improve the quality of Science teaching and learning. It will also enable you to share local practice and create links through discussion and debate with other Primary Science Leaders, as well as seeing the National picture through the eyes of the course tutor who works across several National networks.

Course Content

- Update of latest National developments in Primary Science
- Sharing of local and national initiatives and opportunities
- Sharing and reflection on practice
- Hands-on, minds-on activities
- Free resources
- Health and Safety Update
- useful websites
