

Creating a 2024-25 Subject Leader Action Plan for PSHE Education

Course Information

Date: 11th September 2024

Venue: Online (Zoom)

Time: 16:00-17:15

Cost: £50

Course Leader: Sarah Huggins

Course Overview

This online twilight session will support subject leaders to review their current position with PSHE education and develop an effective action plan for the new academic year.

The session will include a checklist of the key aspects of PSHE that schools should have in place including those which are a legal requirement.

Course Content:

- review current practice in PSHE education including statutory Relationships and Health Education
- using a policy development checklist
- completion of annual PSHE Review and identification of next steps
- features of an effective Action Plan
- development of 2024-25 Action Plan
- implementing ideas for Parent Consultation
- staff survey development
- question ideas for Pupil Voice
- resources and visitors
- assessment and evaluation
- subject leader knowledge, confidence and resources
- PSHE and wider school life
